We are able to create a balance in hand-made & machine made furniture with designated areas for carpentry, polish, upholstery & dispatch of material spread across 60,000 sq.ft. in Chattarpur, New Delhi.

Thank You for your sound advice & assistance .

I take great pleasure in recommending **Ms. POONAM AGARWAL** from **GUDGUDI**. GUDGUDI houses famous works of Masters, contemporary artists, and budding talents on high-quality canvas prints, handmade oil on canvas, and acrylic on canvas at attractive prices.

Couple of years back I had purchased some paintings from another art house out of whom I did not have the documentation for the one of the original master piece. This year I Came in contact with **Poonam**, not only she ended my 03 years ordeal of trying to get the certificate but also sold one of my paintings at a decent premium. Further **Poonam & The team at GUDGUDI** gave me a sound advice which I accepted to sell some of the work and invest the same in another senior artist work for better investment.

Therefore, I have to no hesitation in recommending **POONAM AGARWAL** from **GUDGUDI** to everyone as they have the treasure trove of various artworks that infuse life into client's walls.

Best Regards,

JASKARAN SINGH
